Guide for Assigning Cases to Divisional Evaluation Committees (DEC)

According to the Faculty Code the College is divided into divisions by historical practice. We are aware, however, that definitive alignments are not always possible and take this into account when assigning cases to the Divisional Evaluation Committees. Chairs & Directors with concerns about assignments should consult with their Associate Dean.

Chairs and Directors Brown Bag Meetings

Chairs and Directors lunch "divisions" are set up based on "typical" divisions. Where there is an obvious overlap those are noted and units will be on both distribution lists and encouraged to attend either lunch when topics are relevant.
