DIRECTIONS

Please refer to the map to the right for directions to the Museum. If you are coming via US-23, please note that the Geddes Road exit from US-23 is often confusing to nonresidents, as signage is poor. We recommend using Exit 37B instead (Washtenaw Avenue Westbound). As you drive on Washtenaw, stay in the right lane to remain on Washtenaw where Stadium Boulevard splits off. Washtenaw intersects Geddes Avenue in about 2 miles.

PARKING OPTIONS

Bus parking is located behind the Museum, accessed from the intersection of Church St. and Geddes Ave. These spots are labeled “Visitor and bus parking permit required.” A permit is not required for buses in these spots. If these spots are filled, please proceed to the overflow bus parking on Washington St., in front of Rackham Graduate School (indicated on the map below).

*Please note that Geddes Rd. westbound becomes Fuller Rd at Huron Parkway. To get to Geddes Ave. westbound, turn left at Huron Parkway, and then turn left after the bridge at the Geddes Ave. sign.
