GPA - Overall _____ **GPA - All Science** _____ **GPA - Biology** _____ (based on A=4, B=3, C=2, etc.)

You must have two letters of recommendation from science professors or others who are able to address your capacity for self-motivated research sent to umbs-reu@umich.edu. Please put "ATTENTION REU" in the e-mail subject line.
(NOTE: You do NOT need to send hard copies of these letters.) List names and affiliations of those sending letters on your behalf.

1. _____
2. _____

Referring to the list of mentors posted on our web site, indicate your choices for mentors.

First Choice _____

Second Choice _____

Please provide reasons for your choices _____

In a separate personal statement, let us know more about you. We are particularly interested in:

- a. Previous experience you have in research including individual projects for science.
- b. Additional experiences that demonstrate your ability to work independently and to be self-motivated.
- c. What you hope to gain by participating in the REU program at the Biological Station.
- d. Your short - and long-term goals, and how a summer research experience will help you realize them.

Civil Rights Code for U.S. Citizens & Permanent Residents (optional). This information is used to assess the progress being made in Affirmative Action at the University of Michigan. Please mark the race or ethnicity which best describes you.
