

**THE PROGRAM IN BIOLOGY HONORS PROGRAM  
READER FORM**

Dear Honors Concentrators,

Please fill out the top portion of the form and then have each of your three readers sign the form. Their signature verifies that they have agreed to read and give comments on your thesis. This form is important because it provides a record to the Honors Committee of who has agreed to read your thesis.

It is the student's responsibility to return this form to the Program in Biology Undergraduate Office (1111 Nat. Sci. Bldg.). It is recommended that students turn this form in as early as possible, but no later than seven days before the thesis is due.
