

## LSA New Employee Orientation LSA IT Overview

- What computing resources are available to you? LSA Information Technology for college-specific resources and ITCS for university-wide resources.
- How does LSAIT support you (Distributed Support Model)?
- How to find the LSAIT website: From the LSA main page, on the LSA main page, under LSA Resources, click on Departments and Units and find LSA Information Technology in the list. The direct URL is <http://www.lsa.umich.edu/lsait/>.
- What is on the LSAIT website?
  - Information about the basic computing tools in LSA
    - Windows/Office: information on getting started (<http://www.lsa.umich.edu/lsait/start/>) and frequently asked questions ([http://www.lsa.umich.edu/lsait/start/windows\\_faq.asp](http://www.lsa.umich.edu/lsait/start/windows_faq.asp))
    - Information about IT security in LSA (<http://www.lsa.umich.edu/lsait/admin/security.asp>)?
- What are the campus-wide resources (ITCS)?
  - ITCS Home Page, <http://www.itd.umich.edu/>
  - ITCS Exchange (Outlook): <http://www.umich.edu/~lannos/exchange/>
  - ITSS: <http://safecomputing.umich.edu/>
