

AMERICAN  
HORTICULTURAL  
SOCIETY

# 2009 Reciprocal Admissions Program

*Participating Gardens, Arboreta, and Conservatories*

*Your membership card is your garden passport to America's treasures. Receive special admission privileges in addition to discounts on gift shop purchases and special events at botanical gardens, arboreta, and conservatories throughout North America.*

## How to enjoy the benefits of the Reciprocal Admissions Program

The American Horticultural Society (AHS) encourages members of participating gardens to travel the country, discovering the diversity and beauty of horticulture across America.

Simply present your current membership card at the admissions counter or gift shop of the garden you are visiting to receive their listed benefit(s). Each card will only admit the individual(s) whose name is listed on the card. In the case of a family, couple, or household membership card that does not list the names, the garden must extend the benefit(s) to at least two of the members. It is at the garden's discretion to extend the benefit beyond the two required members. Some gardens may require you to show a photo ID.

## Please note the following details:

- Some special events and exhibits may not be included as part of the RAP benefits.
- **Before visiting any garden**, contact the garden to verify hours of operation, confirm admission policy, and get the latest updates on programs and other information.
- **The 90-mile local exclusion policy:** If you are a member of a participating garden, other participating gardens within 90 miles are not required to extend the RAP benefit to you. If you are an AHS member, participating gardens within 90 miles of your home address are not required to extend the RAP benefit(s).
- Participating gardens are subject to change, be sure to check the AHS website ([www.ahs.org](http://www.ahs.org)) for an up-to-date list.
- Gardens with an asterisk are not participating gardens and their members do not receive the benefits of the RAP.

Do you have a favorite garden that is not listed here? If you would like to see it be a part of the Reciprocal Admissions Program, please contact the AHS at:
