ARTS & THE ENVIRONMENT

November 5-7, 2008
University of Michigan’s North Campus
Duderstadt Center

A set of artistic installations, performances, screenings and talks that meld the arts and sciences in experiences meant to re-awaken us to our role in the natural world.

OPENCING NIGHT November 5, 5 - 11 pm
• Performance of original music and dance by U-M faculty and students
• Conversations with the makers at each installation site
• Keynote address by David W. Orr, Oberlin College
