Docent Training

PLEASE ATTEND AN ORIENTATION ON
Saturday, February 24th
9-10 am At Matthaei

Share your love of the natural world and plants with youth and adults as a Docent Volunteer. You will be trained to provide guided tours of our indoor and outdoor collections during the academic year. Learn basic botany, the art of interpretation, and how to design a tour based around a theme. Be part of a dynamic team of interpretive guides!

Training will begin Monday, March 12th from 1-4pm
