

# Do you speak Japanese?

If you've had...

**0 Semesters: Hikone, Shiga, Japan (Fall, Winter, Academic Year)**

At the Japan Center for Michigan Universities (JCMU) students take intensive Japanese languages classes as well as social science, environmental science, and humanities coursework on pre-modern and modern Japan, with instruction in English.

**2-4 Semesters (preferred): These programs do not require previous study of Japanese, although spaces are limited so admissions and scholarship awards are likely to favor students with at least one year of prior college-level language study:**

**Tokyo, Japan (Academic Year)**

Students will enroll in the AIKOM (Abroad in Komaba) program at the College of Art and Sciences, University of Tokyo. This liberal arts curriculum focuses on Japan and its place in the world. Students take intensive Japanese language training with full-time, native instructors and enroll in courses, taught in English, by University of Tokyo faculty.

**Fukuoka, Japan (Academic Year)**

The "Japan in Today's World" (JTW) program at Kyushu University, one of seven original Imperial Universities, offers U-M students a diverse and challenging introduction to contemporary Japanese society and culture. Students take rigorous language training in addition to courses in Japanese literature, history, international relations, environmental issues, economics, law, agriculture, policy-making, and medicine. All courses are taught in English by Kyushu University faculty.

**4 Semesters: Kyoto, Japan (Fall, Winter, Academic Year)**

Students begin their study at the Kyoto Consortium for Japanese Studies (KCJS) with intensive Japanese language training. Social science and humanities courses are also offered, in English, on pre-modern and modern Japan – taught by Japanese consortium university professors.
