

¿Hablas español?

If you've had...

2 Semesters [Jarabacoa, Dominican Republic \(Summer\)](#)

Students take an intensive Spanish language course and a practicum-based seminar serving as an intro to health, nutrition, and related environmental issues in Latin America and the Caribbean.

[San José, Costa Rica \(Fall or Winter\)](#)

In this ICADS' field course in Resource Management and Sustainable Development, students gain research experience in natural and social sciences. PitE students may fulfill their field experience requirement here.

4 Semesters [Salamanca, Spain \(Summer\)](#)

In this program, students may take Spanish 275/276, 300-level, and 400-level courses. Students will be placed into one of four levels based on their prior Spanish coursework.

5 Semesters [Santiago, Chile \(Semester or Academic Year\)](#)

In this Semester or Academic Year program, students enroll in classes along with their Chilean peers at the Pontificia Universidad Católica de Chile.

[Guanajuato, Mexico \(Summer\)](#)

In this program, students enroll in Mexican culture and history classes offered by the Universidad de Guanajuato's Escuela de Filosofía, Letras e Historia. Students receive 300- and 400-level Spanish credit.

[Granada, Spain \(Winter\)](#)

In this program, students take courses in literature, history, art history, law and linguistics at the University of Granada and the CEGRI center.

[Madrid, Spain \(Winter\)](#)

Students enroll in courses at Madrid's Universidad Complutense and at the IES program center. It is also possible to do an internship.

[Seville, Spain \(Fall, Winter, or Academic Year\)](#)

In this program, students select from a full range of courses offered by the Universidad de Sevilla and at the program center.
