Out-of-Residence Course Curriculum Guide (11/09/08)

Credit earned at a two-year college is not transferable if you have accumulated 60 or more hours of credit towards a degree. Courses can be listed on your transcript, however, without credit towards graduation. Where an associate degree has been posted to a community college transcript, up to 62 transferable credit may be applied to an LSA degree.

For U-M registered LSA students any fourth-term proficiency level in a foreign language will be evaluated as "departmental credit" and not the U-M course number.

UNIVERSITY OF MICHIGAN, ANN ARBOR CAMPUS

Undergraduate Admissions Office, 1220 SAB, 515 E. Jefferson, Ann Arbor, MI 48109-1316 (Tel: 734- 764-7433)

Out-of-Residence Course Curriculum Guide (11/09/08)

Credit earned at a two-year college is not transferable if you have accumulated 60 or more hours of credit towards a degree. Courses can be listed on your transcript, however, without credit towards graduation. Where an associate degree has been posted to a community college transcript, up to 62 transferable credit may be applied to an LSA degree.

For U-M registered LSA students any fourth-term proficiency level in a foreign language will be evaluated as "departmental credit" and not the U-M course number.
