Out-of-Residence Course Curriculum Guide (07/28/04)

Credit earned at a two-year college is not transferable if you have accumulated 60 or more hours of credit towards a degree. Courses can be listed on your transcript, however, without credit towards graduation. Where an associate degree has been posted to a community college transcript, up to 62 transferable credit may be applied to an LSA degree.

For U-M registered LSA students any fourth-term proficiency level in a foreign language will be evaluated as "departmental credit" and not the U-M course number.

Out-of-Residence Course Curriculum Guide (07/28/04)

Credit earned at a two-year college is not transferable if you have accumulated 60 or more hours of credit towards a degree. Courses can be listed on your transcript, however, without credit towards graduation. Where an associate degree has been posted to a community college transcript, up to 62 transferable credit may be applied to an LSA degree.

For U-M registered LSA students any fourth-term proficiency level in a foreign language will be evaluated as "departmental credit" and not the U-M course number.
