Below you'll find a short-answer questionnaire that the LS&A Academic Advisors hope will help you to better identify your academic interests and concerns as you prepare to start college this fall. As you think about your responses, please keep in mind that a college education is an opportunity for you to learn more about yourself while learning about the world that we live in. Please complete and return this questionnaire in the enclosed envelope to the **LS&A Academic Advising Center, 1255 Angell Hall, University of Michigan, Ann Arbor, MI 48109-1003**. If you have any questions, our telephone number is **734.764.0332**. If possible, we'd like to receive you completed questionnaire at least two weeks prior to your orientation.

1. What was your favorite subject or class in high school, and why?

2. List three interesting subjects from the *First-Year Course Guide* (included in this mailing) that your high school didn't offer.

3. Tell us about a book you've read recently that made an impression on you.

4. Using the *First-Year Course Guide*, what academic subjects are you looking forward to exploring in college, and why?

5. If you could create your own class, what you're the title be?

6. At this point, do you have any specific career goals?

7. What are some of your biggest concerns about starting college?
