LSA Advising Information

Beginning Tuesday, January 3 and continuing through Friday, January 13, students may see a General Advisor in 2009 Angell Hall on a walk in basis. Concentration Advisors will see students beginning Tuesday, January 3, and appointments may be scheduled in 2009 Angell Hall.

Have You Declared Your Concentration Yet?
By the junior year (55 credits toward a degree program), LSA students should have selected a concentration program and/or degree program. Students pursuing a BA or a BS degree should consult a concentration advisor and complete a Declaration Form which indicates choice of concentration. Students wishing to do a Bachelor of General Studies (BGS) degree should see a BGS advisor and also complete a Declaration Form. Declaration Forms are available in 2009 Angell and should be returned there when completed.

Academic Advisors Are Available In Residence Halls
LSA Academic Advisors hold regular office hours in the following residence halls: South Quad, West Quad, East Quad, Couzens, Alice Lloyd, Mosher-Jordan, Stockwell, Markley, Martha Cook, Bursley, and Barbour/Newberry. If you live in one of these halls you may find that visiting your building’s academic advisor might be more convenient to your schedule. Check with your RA or the main desk of your building for the schedule of your advisor. The advisors welcome individual conversations as well as small group discussions (in case you and your roommate or a friend on the corridor have similar questions).

Advisors Are Available By E-mail
When you have quick questions that do not require an appointment, you can message your own general academic advisor via e-mail. If you do not remember the name of your advisor, send your question to: Ask.LSA.Advising@umich.edu and an answer or referral will be sent in response.

TUESDAY
SEPTEMBER 5

Note: Classes in the Fall Term, 1995, will begin on Tuesday, September 5, at 8:00 a.m.

Mini Courses
For information about any available Winter Term one-credit mini and short courses, see the bulletin boards outside 2009 Angell Hall and 1419 Mason Hall.

Race or Ethnicity, Quantitative Reasoning, and Junior/Senior Writing Courses
Updated listings of Winter Term courses which may be used to satisfy the Race or Ethnicity requirement, the Quantitative Reasoning requirement, and the Junior/Senior writing requirement are posted on the bulletin boards outside 2009 Angell Hall and 1419 Mason Hall.

Late Course Descriptions
received at LSA Checkpoint are posted on the bulletin board outside 2009 Angell Hall.

Preprofessional LSA Advising Assistance
All academic advisors are available in 2009 Angell Hall to assist students with general questions about academic preparation for medical school, law school, and MBA programs.

For more specific questions about medicine, law, MBA – individual appointments may be scheduled with the following preprofessional advisors:

Penny Morris
Medicine and Health Professions
Tom Schneider, J.D.
Law and Business (MBA)
Mark R. DeCamp, Ph.D., Professor of Chemistry, Medicine

Wolverine Access
Wolverine Access is an electronic information service you may use, once you have your Unique Name and UMICH (Kerberos) password, to access your academic record and general University information. You can use Wolverine Access on any Macintosh at Campus Computing sites. Information available includes:

- Grades
- Account Statement
- CRISP Appointment
- Class Schedule
- CRISP Info
- Address Updates
- Info. About the Registrar’s Office

You may install Wolverine Access on your own computer if you have a Macintosh computer with MacTCP and you can connect it to the campus backbone network. Quicknote: Viewing Your Student Record with Wolverine Access, Step-By-Step S4159 provides detailed instructions.

Study Abroad
Office of International Programs
G513 Michigan Union (764-4311)
The Office of International Programs administers University of Michigan academic year and summer study abroad programs in countries throughout the world. It also provides academic advising regarding official University of Michigan programs, formal matriculation at foreign institutions, and study abroad opportunities sponsored by other colleges and universities.

Students interested in earning credit toward a degree in the College by participating in a study abroad program should consider carefully the material on the College’s “Residency Policy” in Chapter IV and on “Non-LSA Course Work” in Chapter III of the LSA Bulletin. Applicants for these programs should have a good academic record (3.0 GPA is recommended). Programs involving enrollment in regular classes at foreign universities require junior or senior standing by the time the program begins. Students who qualify for financial aid through the University may apply this aid to any in-residence program. In addition, some scholarships are available through the Office of International Programs. Except as noted, students should contact the OIP, G513 Michigan Union, for further information.

Students planning to study abroad in any program not sponsored by the University of Michigan must complete a Statement of Intent to Study Abroad, obtainable from the Office of International Programs.

Application Deadlines
Academic year
Aix-en-Provence, France January 20
Perth, Australia (Fall 95) February 17
Beijing or Tianjin, China February 17
British Programs February 10
Florence, Italy March 3
Freiberg, Germany February 3
Lausanne, Switzerland January 20
Quito, Ecuador January 27
Santiago, Chile (Fall 95) January 27
Seville, Spain January 27
Soul, Korea (Fall 95) February 17
Tuebingen, Germany February 3
Turku, Finland February 17
Uppsala, Sweden February 27
Spring or Summer
The application deadline for all of the University of Michigan spring and summer programs is March 3, 1995.

Geology in the Rockies
Summer 1995 (July 1 - August 16)

Earn Eight Credits of Natural Science credit for studying Introductory Geology in the Rocky Mountains, including: Yellowstone National Park, Grand Tetons, Dinosaur National Monument, and Craters of the Moon. Geological Sciences 116 is equivalent to a two-semester sequence of introductory geology.

Setting
This ideal outdoor classroom offers some of the most scenic and interesting geology in the entire Rocky Mountain region. Mountain uplifts and deep erosion have exposed a variety of Earth structures and rocks of diverse age and origin. The effects of alpine glaciation, landslides, stream erosion, and a host of other geological phenomena provide an unmatched introduction to geology.

Location
The University of Michigan field course is taught at Camp Davis, a permanent facility built by the University in 1929. Camp Davis is about 20 miles south of Jackson, Wyoming, near the junction of the Overthrust Belt, the Snake River Plain, the Wind River Range, and the Green River Basin. The camp is located on the Hoback River near its junction with the Snake River; the trout fishing is great.

The Biological Station Program
In Northern Lower Michigan

4-week long Field Course For Spring Term, 1995
May 21 - June 15, 1995 at the Biological Station on Douglas Lake near Pellston, Michigan.

Biological 381. General Ecology
This five-credit course is intended for students who have taken introductory biology (Biology 152-154, or equivalent) and wish to learn about both ecology and be exposed to the natural history of the region. Class size will be small (max=15 students per section) and the course will be intense. Students will live at the University’s Biological Station in Pellston and will take only this course for four weeks. Class will meet from 8 a.m. to 5 p.m. daily. The course will consider the factors influencing the distribution and abundance of animals and plants. Course topics include individual ecology (population dynamics, competition, predation, and other species interactions), community ecology (species diversity and succession), ecosystem ecology (nutrient cycling and energy flow), human impact on the ecosystem. Lecture and discussion will be supplemented by field projects designed to test a variety of ecological questions in a range of terrestrial and aquatic communities.

All students and faculty in this course will live at the Biological Station and all will take their meals in the dining hall. The courses will be given from May 21 to June 15, a time of dynamic biological change in Northern Michigan.
Tuition will be $1083 for Michigan resident undergrads and $1938 for non-resident undergrads. Meals and housing are an additional $456 for the 4-week period. Generous financial aid is available. There is a non-refundable application fee of $30.

For more information about this course and the Biological Station contact:
University of Michigan Biological Station
1111 Natural Science Building
Ann Arbor, MI 48109-1048
(phone: 313-763-4461)

LSA Scholarships
Qualifications
- must be an LSA undergraduate
- must have completed at least one full term in the College of LSA at the University of Michigan
- must have a cumulative grade point average of 3.7 if a freshman or sophomore and a cumulative grade point average of 3.6 if a junior or senior
- must apply to the Office of Financial Aid
- must have both merit and need

When to Apply
- Applications are available beginning January 17 (for awards for the following Spring-Summer and Fall-Winter Terms).
- Deadline for submission of application is Friday, March 1.

Where to Apply
- 1402 Mason Hall

Taking Spring/Summer Classes At Another Academic Institution?

Are you considering taking course work during the Spring or Summer Terms at another academic institution? Do you want to use these transfer credits toward your LSA degree program? Then you need to do some careful advance planning:

(1) LSA students are required to complete 60 credits in residence, at least 30 of which must be among the final 60. Please consult the LSA Bulletin or Checkpoint (4-6810) for detailed residency requirements. Credit from other institutions is awarded if a course is completed with a “C” or better, and is comparable to one offered in the University which meets LSA’s standard for acceptable credit.

(2) It is your responsibility to contact the institution where you want to elect course work in order to secure admissions and other appropriate information. If you plan to attend any other Michigan college or university as a guest student, you can use a Uniform Guest Application form available at the UM Admissions Office (1220 SAB). Remember – you must first be admitted to your host institution before you will be allowed to enroll in courses there.

(3) Once you have accumulated a total of 60 credit hours toward your degree, you may not transfer in credit from a junior, community, or two-year college. Only work taken at a 4-year institution will be acceptable.

(4) Because not all course work elected at other institutions will transfer as credit toward an LSA degree, you can consult in advance with the Office of Undergraduate Admissions, where there is a partial list of transferable courses from other institutions. There is also an LSA out-of-residence pre-credit evaluation form that can be filled out for additional transfer equivalencies which have not been pre-evaluated.

(5) The language requirement cannot be met by out-of-residence credit which is elected after the student has begun degree enrollment in LSA unless the appropriate department language department has approved that plan in advance. Once the study of a language offered by the department of Romance Languages has begun in residence, then fourth-term language study must be taken in residence. In addition, if you want to count course work at another institution as part of your concentration program, you must secure the approval of your concentration advisor. Likewise, if you plan to use your transfer credit as part of a distribution plan, you must consult with your general academic advisor.

(6) When your courses are completed, you should ask your host school to forward an official copy of your transcript to the UM Admissions Office. The Admissions Office will evaluate your transfer credit and, if it is acceptable, will post it on your Academic Record.

(7) Credit earned at other academic institutions will be posted on your LSA transcript without honor points (i.e., without grades). The exceptions are UM-Flint and UM-Dearborn; in these two cases, credit is granted for courses passed with a “D-” or better, and the honor points are brought in.

Plan on Taking Spring/Summer Classes?

Then Take Note:

Spring Half-Term, 1995: Classes Begin on Wednesday, May 3 and end on Tuesday, June 20. Exams: June 22-23.

Summer Half-Term, 1995: Classes Begin on Wednesday, June 28 and end on Tuesday, August 15. Exams: August 17-18.

INCOMPLETE GRADE?

An “Incomplete” (I) grade may be reported by an instructor when a student has taken the final examination in a course but a small amount of work is unfinished. If you are an LSA student and your instructor agreed to report an Incomplete grade, regardless of whether or not the course was an LSA course, then:

(1) You should have an understanding with the instructor about the work you must complete.

(2) You must complete the work by the end of the fourth week of your next Fall or Winter Term in residence or by an extended deadline supported in writing by the instructor and approved by the Office of Academic Actions (2009 Angell) or the Honors Council (2016 Angell).

Your instructor is not obligated to agree to a time extension. LSA students with Fall Term, 1994, Incompletes who enroll in the College for Winter Term, 1995, must complete the work by Wednesday, February 1.

(3) An Incomplete not finished by February 1 or an approved time extension arranged prior to the February 1 deadline lapses to a failing grade and lowers the term and overall grade point averages, unless the course was elected pass/fail.

(4) The instructor has ten days following February 1 or an approved extended deadline in which to report a final grade.

(5) Special Note to December 1994 Grads: You must finish any outstanding Incompletes that you need in order to complete your degree requirements, and have the instructor report the final grade to the LSA Records Office by Tuesday, January 10, 1995, in order to keep your name on the December, 1994, degree list.

SA Course Guide Is On-line

To sign on to the LSA Publications server, at the prompt, type um-gopherblue then from the menu select:

U of Michigan and Ann Arbor (menu) ↓
Schools and Colleges (menu) ↓
LSA Academic Information (menu) ↓
Winter95 guide (menu)

Then, you will see a list of LSA departments. From there, select the department whose description you wish to read, and proceed.

INFORMATION FOR PRE-LAW & PRE-MEDICAL STUDENTS

Interest in the legal and medical profession remains high among UM students. UM continues to have one of the largest pre-law as well as premedical populations (in most years, each of these may be the largest) in the country. The ratio of acceptance for our students remains high. Last year 1092 UM students applied and 900 were accepted to U.S. law schools – a 82% acceptance rate. Also, last year 718 UM students applied to U.S. medical schools and 364 received offers of admission. In 1993, the rate of acceptance for our premedical students was 51%.

National trends in law school admission indicate a recent decline in the number of applicants to U.S. law schools. In the five years from 1987 to 1991, there was a 45% increase in the national applicant pool. The 1991 applicant pool reached a high of 94,159. This past year, total applicants numbered 91,892. National trends in medical school admission indicate a dramatic increase in the number of applicants to U.S. medical schools. In 1989, total national applicants numbered 26,915. This past year the national applicant pool reached a new high of 42,808.

January/February 1995 Page 3
**SPECIAL NOTES:**

1. Beginning Thursday, January 5, students who wish to disenroll will be responsible for an $80 registration fee and a $50 disenrollment fee. These assessments will be made regardless of whether or not the student has attended any class.

2. Also beginning Thursday, January 5 a $50 late registration fee must be paid at the Cashier’s Office in the Lobby of the LSA Building before CRISP will process an initial Winter Term, 1995 registration. The late registration fee applies to all students except those admitted after December 16, 1994 and L&S&A non-degree students.

3. After January 25, students requesting drops and/or adds must:
   (a) Obtain a Request for Late Drop/Add form and Election Change Worksheet from 2009 Angell Hall;
   (b) Complete both forms, stating the reason(s) for the drop;
   (c) Obtain instructor’s recommendation and signature;
   (d) Return the completed forms to 2009 Angell along with an Override if there is a late add.

The Office of Academic Actions will batch process all approved requests. Honors students follow the procedures established by the Honors Office.

### Professional School Admission Test Dates

**Graduate Management Admission Test (GMAT)**

- January 21, 1995
- March 18, 1995

**Law School Admission Test (LSAT)**

- February 11, 1995
- June 12, 1995
- September 30, 1995
- December 2, 1995
- February 10, 1996

**Medical College Admission Test (MCAT)**

- April 22, 1995
- August 19, 1995

**Dental Admissions Test (DAT)**

- March 25, 1995
- October 21, 1995

**Graduate Record Exam (GRE)**

- February 5, 1995
- April 8, 1995
- June 3, 1995

---

**Spring Graduation**

April LSA Commencement Exercises will be held in Michigan Stadium on Saturday, April 29, 1995 at 10 a.m. All graduates of the Winter and Summer Terms, 1995, may participate.

**LSA Graduation Procedures:**

Students must submit diploma application and concentration release form (for AB/BS candidates) or diploma application and BGS senior release form (BCS candidates) according to the following schedule. Diploma applications, concentration release forms, and BGS release forms are available in 2009 Angell Hall or 1401 Mason Hall and should be returned there when completed. The LAST DAY to submit graduation materials if you plan to graduate in April. An information sheet about the Spring commencement exercise will be available outside 1401 Mason Hall by the middle of the Winter Term.

**Honors Program**

Students should pick up all graduation forms from 2016 Angell and return them there when completed.
