A Register for Spring & Summer

During the Early Registration period between April 6 and April 20, LSA students may register not only for Fall, 1993 classes, but also for Spring/Summer, Spring Half-Term (IIa), and Summer Half-Term (IIb) courses. Registration for more than one term can be completed with a single CRISP appointment and Student Verification Form (SVF). Each term registration, however, requires a separate election worksheet (available for LSA students in 1221 AH).

B Check on your eligibility

CRISP appointments for early registration will be assigned by the Registrar’s Office. Students will be scheduled to register in seven priority groups according to the number of credit hours earned towards their program. Credit toward degree (CTP, the middle column on the transcript) and current active elections for Winter Term, 1993, must equal or exceed the credit hours listed below by February 28. Incomplete courses for which grades have not been reported and processed by the Registrar’s Office by February 28 will not be included as part of the minimum credits required for CRISP appointments.

The seven groups are as follows:

1. 100 + credits
2. 85 - 99 credits
3. 70 - 84 credits
4. 55 - 69 credits
5. 40 - 54 credits
6. 25 - 39 credits
7. 0 - 24 credits

Specifically assigned times within each group are random.

C About your SVF

The Office of the Registrar will be mailing Student Verification Forms (SVF) later this month to be used at Early Registration. Each student’s SVF will indicate the precise date and time for each student’s Early Registration appointment at CRISP. If your local address is not updated with the Registrar’s Office, then you should take care of this at the lobby of the LSA Building right away (or through the computer network system -see related article pg. 3). This will ensure receipt of your SVF in the mail by Wednesday, April 1.

Students who have not received an SVF in the mail by April 1 should go to the lobby of the LSA building. Do Not Go Earlier!

EAST ENGINEERING RENOVATIONS LEAD TO LS&A CLASS SCHEDULING CHANGES

Renovations that are to begin this spring in the north wing of the East Engineering Building mean the loss of 37 LS&A classrooms from its current pool of 253 centrally scheduled rooms. After careful study of the impact of this change, an LS&A faculty committee recommended new class scheduling policies for the departments and programs of the College. The adoption of these policies significantly affects classes scheduled in the fall and winter semesters, beginning with the fall term of 1993. Since the College now can schedule no more than two-thirds of class meeting hours between 10 AM and 4 PM, students will find more classes scheduled in the early mornings and late afternoons and evenings. And since no more than one-fifth of the class meeting hours can be scheduled in one 8 AM to 6 PM day, students will also find more classes scheduled on Friday.

The chief benefit for students from these changes should be that fewer conflicts will occur between classes and it should be easier to build a schedule of desired classes. Of course, it might also mean getting up earlier for that 8 o’clock or 9 o’clock, or being in class right up until or right after dinner. In any case, the FALL TIME SCHEDULE OF CLASSES will be available for distribution beginning sometime in the last week of March. Good luck, students!
CRISP HOURS:
January 4 & thereafter (except weekends & holidays): 8:00 a.m. – 5:00 p.m.

The ABC’s of Early Registration

Students who lose their SVF’s with the appointment time printed on it may obtain a replacement form in the lobby of the LSA Building at the Information Windows. Students then take this form to the North Window of CRISP (Room 17 AH) beginning Thursday, April 2 where they will receive an appointment time. The replacement form will be printed with the originally scheduled appointment time.

D Make sure you are eligible to be assigned a CRISP appointment.

Only students who are enrolled for Winter Term, 1993, as of January 29 will be assigned a CRISP appointment. Other students must go to the hall window at the north end of Room 17 Angell Hall beginning Thursday, April 2 to arrange for a CRISP appointment. Non-degree students and incoming freshmen and transfer students are not eligible to register early.

E Be On Time.

CRISP staff will make every effort to work in students who miss their original scheduled appointment but only if those students arrive within one hour of the scheduled time. Students with 4:00 p.m. to 4:15 p.m. appointments will have until 9:00 a.m. the following day as a grace period. Students who arrive later than one hour after a scheduled CRISP appointment will be rescheduled at the earliest available time. Although a limited number of make-up appointments are available each day, these are used quickly, and students arriving late should not expect to be able to register the same day.

A financial hold is placed on students who have not paid their tuition and housing in full by Friday, February 28. Students with a hold credit are not permitted to register. Temporary releases are not granted by the Registrar’s Office. Students who pay late must make payments directly to the Cashier’s Office (LSA Building Lobby) and must obtain a receipt (and request that the hold credit be lifted), which should be brought to CRISP, showing the account has been paid. Questions concerning tuition and housing charges should be directed to Student Accounts (2226 SAB, 764-7447).

G If you want to Drop/Add a course.

LSA students who wish to process spring, summer, or fall term drop/ add transactions during the period from April 6 through April 20 must obtain a drop/add permit at the hall window at the north end of Room 17 AH.

April 21 through September 4, registration drop/add continues. No appointment time is required.

H Check your schedule for accuracy.

Before leaving CRISP, check your schedule for accuracy and completeness. Verify the accuracy of the tuition assessment. Tuition is subject to change without notice by the Regents of the University. Fee assessments are also tentative and may be changed by the Regents.

Be careful also to check that any pass/fail elections are properly recorded. The College holds students responsible for ensuring the accuracy of their schedule.

Registrar's Bulletin Board

Major Announcements:

1. CRISP hours are 8:00 a.m. – 5:00 p.m.

2. The Office of the Registrar has opened three full-service windows in the lobby of the LSA Building to better serve students. Office hours are 8:00 a.m. – 5:00 p.m., Monday thru Friday. The following services are available at these windows:
   - Transcript requests and requests for unofficial copies of the academic record. (There is also a drop box at Window C for students to leave transcript requests without waiting in line.)
   - Certification for loans and placement
   - Academic record information
   - Class Schedules
   - Term Grade Reports
   - Replacement SVF’s (Student Verification Forms)
   - Local/permanent address changes
   - Name changes
   - Phone number changes

   The only services NOT provided at the windows are:
   - Residency information/determination
   - Veterans benefit certification/information

   These services are available in room 1514 LSA Building.

3. ID cards are issued by the Housing Office. Replacement ID cards for lost or stolen ID cards are available at room 100, lower level of the Student Activities Building. Hours of operation are 8:00 a.m. – 4:00 p.m. Replacement fee for lost or stolen ID card is $10.00. You must bring a photo ID with you.
**All About CRISP**

**1. Student Registration**

Student Registration is by appointment indicated on the Student Verification Form (SVF). The Registrar's Office will mail the SVF to each LSA student's local address as of February 25, 1993. Expect to receive your SVF by April 1.

**2. April 6-20 drop/add is by time permit distributed from the hall window at the North end of Room 17 Angell Hall. Permits are available beginning April 2.**

**3. April 21 and thereafter, Spring, Summer & Fall Term registration and drop/add continue; no appointment or time permit is required.**

**Notification of Changes in Local & Permanent Addresses**

Students can now use the campus computer network to submit local and permanent address and telephone changes to the Registrar's Office by using a new server that has been installed on the campus computer network. To access the server, type `UM-ADDRESS-INFO` at the Which Host? prompt.

The server will ask for your student request account ID and new address and telephone number information. There is no charge for using the server and it is available around the clock from any computer connected to the computer network. Changes will be processed within two working days.

**Open Course Inquiry Transaction**

The Registrar's Office has introduced a computer transaction which permits students to access, in real time, course and section enrollment information on computer terminals with an MTS hookup. See the introductory pages of the Time Schedule or the LSA Course Guide for exact instructions, or call LSA Checkpoint, 764-6810.

---

**Time Schedule**

The University Scheduling Office has announced that the *Time Schedules* for Fall and Spring/Summer Terms, 1993, will be distributed within two working days. The posted lists are updated daily, of closed and open LSA courses for the Spring, Summer, and Fall Terms on bulletin boards outside 1419 Mason Hall. Postings will begin on Monday, April 5, the first day of early registration.

**Spring/Summer and Fall Term LSA Course Guides**

The LSA Course Guides for Spring/Summer and for Fall Term 1993 will be distributed from the tables outside 1419 Mason Hall beginning Friday, March 26th. These books will contain undergraduate course descriptions provided to Checkpoint by March 2nd. Every effort is made to make the Course Guides complete, but gaps are inevitable, and thus Checkpoint continues to accept descriptions after the March 2 deadline and makes these available to students who call POINT-10. The Time Schedule should be used as the record of courses to be offered in a term. If you find a course listed in the Time Schedule but no description is available, Checkpoint staff answering POINT-10 will also now if the course has been cancelled since the Time Schedule went to press.

**Junior/Senior Writing Requirement**

All LSA students, including cross-campus transfer students, are required to meet the College Junior-Senior Writing Requirement after earning 55 credits or more toward the A.B., B.S., or B.G.S. degree. The College urges students to fulfill this requirement as early as possible in their upperclass years, and to do so in their concentration or area of special academic interest.

A list of courses approved for the LSA Junior-Senior writing requirement for Fall, 1993, can be found on page four of the Fall Term LSA Course Guide. The same list is also posted on the bulletin boards outside 1419 Mason Hall and 1221 Angell Hall and across from 1213 Angell Hall. The posted lists are updated as any additions or deletions become known.

Students electing an approved course to meet this requirement must declare their intention at CRISP by writing "ECB" in the modifier section next to the course on the election worksheet.

**LSA Course Updates**

The Checkpoint office staff will maintain listings, updated daily, of closed and open LSA courses for the Spring, Summer, and Fall Terms on the bulletin board outside 1419 Mason Hall. Postings will begin on Monday, April 5, the first day of early registration.

**Interested in an Individualized Concentration?**

An informational meeting for students interested in an Individualized Concentration Program (ICP) will be held on March 17, 1993 from 3–4 pm in 2443 Mason Hall. If you think you might be interested in an ICP, you should first read pages 152-53 of the 1992-93 *LSA Bulletin* and then bring your questions to the meeting where Helen Olson, the ICP advisor from LSA Academic Advising, will have the answers.
The Math department wishes to announce two new course offerings for Fall Term: Math 354, Fourier Analysis and Its Applications, Math 362, Application of Calculus and Linear Algebra. Both are 3 credits.

### FINAL EXAMINATIONS:

The final examination schedule for courses is published near the front of each term’s Time Schedule by the Office of the Registrar. Individual instructors are not authorized to change the announced times of examinations. Re-scheduling exams into earlier time periods may mean that you will lose the final class period; it may mean that you are denied review time in class; and it may rob you of study days.

**The Time Schedule says:**

1. No allowance is made and no approval is given for final exams prior to the approved schedule.
2. Approval will not be given for any exams during Study Days.
3. Final exams scheduled for one date and time may not be moved to another date and time without prior approval of the Final Examination Committee.

**The Faculty Code says:**

1. An instructor may not depart from the official schedule unless prior approval of the Final Examination Committee is obtained.
2. All students are expected to take their final examinations at the time fixed in the official schedule of examinations. No single student may be examined at a time earlier or later than the official time unless a mutually agreeable time has been arranged in advance by the student and the instructor.

If an instructor re-schedules an examination, you have a right to take it at the scheduled time period.

**Take-Home Final Examinations:**

The due date of the take-home final examination should normally be no earlier or later than the regularly scheduled examination date and time slot, as published in the Time Schedule. Exceptions must be approved by the Final Examination Committee.

If you experience any difficulty in this regard, please see Assistant Dean Eugene Nissen (1402 Mason Hall; 764-7297) or Mr. Douglas Woolley, Interim Registrar (1524 LSA; 764-6280). □

### Don't Miss Your Final Exams

The Checkpoint office advises all students, but especially first year and transfer students in LS&A to learn their schedules of Fall Term final examinations as soon as possible. A final examination schedule can be found on page 22 of the Late Edition Winter Term University Time Schedule. If you have lost your copy, you can call POINT-10 for this information.

Final examinations begin on Thursday, April 22.

Since many exams are not held in the regular class meeting room for the course, it is also important to know the location where each exam will be given. Finally, learn whether you are expected to bring a bluebook to the exam.

Learn your schedule of exams early so you can plan your study time accordingly. Arrive at the right location for your exams on time and prepared.
**First-Year and Collegiate Seminars**

The LS&A Dean’s Office has announced its program of courses for the Fall Term in both its First-Year Seminars and Collegiate Seminars in the University Courses division (Division 495). All of these seminars are offered for four credits, and each is limited to 15-20 students.

LSA Academic Advising... 

Academic Advisors Are Available In Residence Halls.

LSA Academic Advisors hold regular office hours in the following residence halls: South Quad, West Quad, East Quad, Couzens, Alice Lloyd, Mather-Jordan, Stockwell, Markley, Martha Cook, Oxford, Bursley, and Barney/Newberry. If you live in one of these halls you may find that visiting your building’s academic advisor might be more convenient to your schedule.

Check with your RA or the main desk of your building for the schedule of your advisor. The advisors welcome individual conversations as well as small group discussions (in case you and your roommate or a friend on the corridor have similar questions). You can also reach your advisor through MTS.

Do You Need Advisor Approval For A Schedule Change?

The only students who need advisor approval of their elections are students registering for their first term in LS&E. All other students are encouraged to discuss their academic plans with an advisor. Continuing students who are planning academic schedules of fewer than 8 credits also must have advisor approval. Students who wish to elect a schedule of more than 18 credits also must have counselor approval and must get their Election Worksheet or Election Change Worksheet (drop/add form) stamped in 1221 Angell Hall (1210 Angell Hall for Honor Students).

Declaration of Concentration and/or Degree Program

By the junior year (55 credits toward a degree program), LSA students should have selected a concentration program and/or degree program. To do this officially, students planning to do a Bachelor of Arts or a Bachelor of Science degree should consult an appropriate concentration advisor and complete a Declaration Form which indicates choice of concentration. Students wishing to do a Bachelor of General Studies (BGS) degree should see a BGS advisor and also complete a Declaration Form.

Declaration Forms are available in 1213 and 1221 Angell Hall and should be returned to 1213 when completed.

March 19 is Fall Term Late Drop/Add Deadline

Friday, March 19 (4:30 p.m.) is the deadline for late drop/add with approval for LSA students with academic loads of between 8 and 18 credits. Beginning Monday, March 22 and continuing through the last day of classes (Tuesday, April 20) all drop/add requests will require the approval of a committee of academic advisors and a representative from the Office of Academic Actions. The criteria for approving student program changes after March 19 are severely restricted, and drops are granted only in cases of unusual circumstances.

Honor students should go to the Honors Program in 1210 Angell Hall for information about procedures and forms.

Unsure? Let an Advisor Help

Students are urged to discuss with a general academic advisor or concentration advisor the development of a distribution pattern, a concentration plan, or specific course elections for the Fall, Spring and Summer Terms. Such discussions frequently serve as useful planning sessions and help students identify individual academic and career interests. Students are invited to explore in their conversations with advisors the various academic options available in LSA.

Plan to talk with an advisor as soon as possible.

By the end of March great pressure is placed on the resources of the LSA advising program and advisors. In the case of some concentration programs, it becomes difficult, if not impossible, once early registration begins on April 5, to accommodate all requests for individual advising appointments. It is often helpful to remember the name of the advisor you have previously seen and ask to see that advisor again.

If you schedule an academic advising appointment but are unable to keep it, please contact the LSA Academic Advising Office in 1213 Angell Hall (764-0330; 764-0332) as soon as you know so that the appointment can be given to another student. The Advising Office is open Monday through Friday, 8:15 to 4:30 p.m.

LSA Academic Advising Myth #8

True or False?

It is EXTREMELY difficult to withdraw from a class after the Late Drop Deadline (Friday, March 19).

True!

Up until the Late Drop Deadline (Friday, March 19), it is relatively easy to receive permission to late drop a class; but the day after the Late Drop Deadline, all the rules change.

After the Late Drop Deadline, approval of the instructor to withdraw from a course is still necessary, but you must submit a petition to a committee of LSA Academic Advisors and Academic Actions Board members. The guidelines for a “late-late drop” are very narrowly defined and very strictly interpreted. Late-late drops are granted only in extremely unusual circumstances that are beyond your control. Academic difficulty in a class is not an acceptable reason for a late-late drop.

RIGHT NOW is the time to talk with an academic advisor about your options if you’re having trouble in a class. After the Late Drop Deadline advisors will still be sympathetic, but they may have to tell you that you’ve waited too long to act and that now your options are very limited!

Why does the College have a Late Drop Deadline at all? And why is the policy so strictly enforced? The College takes the view that students should make a definite, once-and-for-all commitment to their academic schedules after a certain length of time has passed. The College gives you nine weeks to assess your academic progress in your courses, and then requires that you make a decision and live with the consequences, for better or worse. Sooner or later you will have to learn to deal with deadlines anyway; they are an unpleasant fact of life in the “real” world, too – April 16 is not good enough for the IRS. Yes, deadlines are arbitrary and artificial. But no, deadlines are not meaningless or unimportant. The College takes them very seriously, and will enforce them.

This term’s Late Drop Deadline is Friday, March 19. Don’t miss it! See your LSA Academic Advisor now! Verbum sapiens sitas!
University of Michigan
Spring Commencement 1993
Ann Arbor, Michigan  ■  Michigan Stadium

Date:
Spring Commencement Exercises will be held in Michigan Stadium beginning at 12:00 noon and concluding at approximately 1:30 p.m. on Saturday, May 1, 1993. All graduates of the Winter and Summer Terms, 1993, may participate. All graduates participating in Spring Commencement must enter Michigan Stadium through Gate 8 only (at the northwest corner of the Stadium) from 11:00-11:30. Look for the ‘Student Assembly’ signs upon entering the stadium area.

LS&A Graduation Procedures:
LS&A students must submit diploma application and senior concentration release form (for AB/BS candidates) or diploma application and BGS senior release form (BGS candidates) according to the following schedule. Diploma applications, concentration release forms, and BGS release forms are available in 1223 Angell Hall or 1401 Mason Hall and should be returned there when completed. The LAST DAY to submit graduation materials if you want your name printed in the Spring commencement program is Monday, March 22. Tuesday, April 20 is the LAST DAY to submit graduation materials if you plan to participate in the Spring commencement exercises. An information sheet about the Spring commencement exercise is available in 1223 Angell Hall.

Honors Program students should pick up all graduation forms from 1218 Angell and return them there when completed.

Tickets:
Each guest attending Winter Commencement Exercises must have a ticket. Up to ten tickets per graduate will be distributed April 26-29 (9:00 a.m. – 4:00 p.m.). Tickets will be distributed by the LS&A Development and External Relations Office in the lower level of 350 South Thayer (the Comerica Bank Building). Tickets will be issued only to the graduating student, who must show current student identification.

Guests:
All families and guests should enter Michigan Stadium through the gates at the north and south ends of the stadium. All guests should be seated by 11:45.

Commencement Programs:
Programs will be distributed to graduates and guests upon entering the stadium.

Announcements and Academic Attire:
All participants in the Commencement Exercises must wear academic dress. Graduation announcements and caps/gowns are available from Jacobson’s, 612 Liberty St., Ann Arbor (769-7600). Personalized announcements, which take about three weeks to process, may be ordered beginning Monday, March 1. Academic attire is available for purchase beginning Monday, April 12.

Celebratory Atmosphere:
Commencement is filled with excitement and tradition. It is a special time to share your achievements with your family and friends and with University faculty and administrators. So that all present may safely enjoy and fondly remember your Commencement, we ask that no alcoholic or carbonated beverages, no smoking materials, and no signs on poles be brought into the Stadium. University Security has been advised to remove such items.

Special Needs:
The University of Michigan wants to ensure that all graduates and guests can participate fully in the program. The following arrangements have been made.

Graduates with special needs who plan to participate in the Spring Commencement Exercises and need assistance with reserved parking and/or require assistance in accessing Michigan Stadium should call 998-6255 to make these arrangements.

Parking information will be distributed to graduates along with tickets beginning April 26.

Ushers will be available to assist graduates with special needs in locating their proper seating areas.

Ushers will also be available to assist people with special needs regarding the location of appropriate seating and restrooms. To guarantee the availability of special needs seating, call 998-6255 before April 23.

There will be a special seating area for graduates and guests with hearing impairments. A sign language interpreter will be present. Please inform the usher upon entering the Stadium.

Please share this information with your parents or guests.

Thank you,
from the College of LS&A

University Research Opportunity Program

Are you interested in doing original research? Would you like to work closely with a faculty researcher? Are you curious about emerging research topics? Then, the Undergraduate Research Opportunity Program (UROP) may be for you. UROP is a unique program which creates research partnerships between first and second year students and faculty from all over campus. This year the program had over 200 research projects to choose from in areas such as The Neurobiology of Drug Craving, State Violence, Human Rights and the Culture of Citizenship in Latin America, Studies of Language Acquisition and Social Cognitive Processes, African-American Art in the University Museum of Art, Understanding Literacy from the Native American Perspective, and Records of Climate Change in Marine Sediments. UROP is open to all first year and sophomore students in academic good standing. You must have freshman or sophomore standing for the entire 1993/1994 academic year. Students are expected to participate in the program for an entire academic year. Students work an average of 6-10 hours per week and can receive either academic credit through UC280 or UC281, or independent study credit in other schools or colleges, or may apply their work-study award to the program. For more information and an application, please contact the UROP Office, L-110 West Quad, 747-2768. The application deadline for Fall 1993 is March 15, 1993. ■

The University of Michigan congratulates the 1993 graduates on their achievement and welcomes them into its alumni family.
The Hopwood Program

The Hopwood Room

The Hopwood Room is located in 1006 Angell Hall and serves the needs and interests of Hopwood contestants. The room is open Monday through Friday from 8:30 - 4:30. In addition to housing the winning manuscripts since 1931, the Hopwood Room has a lending library of 20th Century literature, a generously supply of non-circulating current periodicals, some reference books on how to get published, information on graduate and summer writing programs, and a collection of screen plays donated by former Hopwood winners. Lawrence Kasdan. Also, a tea is held regularly during the fall and winter terms on Thursdays, 3:00 to 5:00 p.m., for students, faculty, and staff. FREE tea, coffee, and cookies are available to all.

Hopwood Awards

Under the terms of the will of Avery Hopwood, prominent American Dramatist and member of the Class of 1905 of the University of Michigan, one-fifth of Mr. Hopwood’s estate was given to the Regents of the University for the encouragement of creative work in writing. The Hopwood Program administers over a dozen writing contests, some of which have December deadlines for submission of materials. They include: the Hopwood Underclassmen Contest which is open to freshmen and sophomores who are enrolled in or have recently taken a writing course in the Department of English Language and Literature, the Department of Communication, Residential College, or the Department of Theatre and Drama. The deadline for this contest is noon, December 7, 1993.
