Guide to CRISP Registration and Drop/Add  
(Fall Term, 1992)

Registration Procedures
Continuing LSA students who did not participate in CRISP Early Registration and who are eligible to register for Fall Term, 1992, need to take a Student Verification Form (SVF—available at LSA Lobby Information Windows), an ID card (available in 100 SAB), and a validated Election Worksheet (available in 1221 Angell) to 17 Angell Hall (CRISP) for processing. If you are registering for courses/sections with an entry restriction or if you have received departmental/instructor permission to elect a closed course/section, an Override Form is required.

Late Registration
Beginning Thursday, September 10, students who wish to register must pay a late registration fee (see section below). Students registering late follow the same procedures outlined for regular registration. The late fee is paid at the Cashier's Window (LSA Bldg. Lobby), and CRISP is not authorized to process a late registration unless presented the receipt indicating payment of the late fee. LSA students who wish to register for Fall Term, 1992, classes after Wednesday, September 30 (i.e., after the third week of classes) must first obtain permission from the Office of Academic Actions (1221 Angell, 764–0310).

Drop/Add Procedures (Drop/Add Begins Thurs. Sept. 10)
Students wishing to make course and/or section changes need to take a validated Election Worksheet (drop/add form) and any necessary Overrides to 17 Angell Hall or 153 Chrysler Center (CRISP) for processing. LSA students may process drop/add changes through Wednesday, September 30. While changes in elections, including pass/fail changes, can be made any time during this three-week period, drops and adds should be completed as early as possible to minimize the risks of entering a course already in progress and to free dropped spaces for other students. After September 30, students requesting changes must

1. obtain a Request for Late Drop/Add form and an Election Change Worksheet from 1221 Angell Hall;
2. Complete both forms, stating the reason(s) for the drop;
3. obtain the instructor’s recommendation and signature;
4. return the completed form to 1221 Angell Hall along with an Override if there is a late add.

CRISP Hours:
• CRISP will be closed on Labor Day, Sept. 7.
• No Drop/Add permitted on Sept. 8 & 9.
Sept. 3 - 4:
9-11:45am – 12:30-3:45pm
Sept. 8 - 9:
8am-4:45pm
Sept. 10 - 11:
8am-4:15pm
Sept. 14 - 18:
9am-4:15pm
Sept. 21 - 25:
9-11:45am – 12:30-4:15pm
Oct. 1 & thereafter (except weekends & holidays):
8-11:45am – 12:30-4:15pm

CRISP Registration and Drop/Add

The Office of Academic Actions will batch process all approved requests. A $10 fee is required to complete an approved late drop/add transaction and will be billed to your student account. Honors students follow the procedures established by the Honors Office.

Students should drop any course or courses which they do not plan to attend even though some departments indicate that students will be dropped by the department if they do not attend during the first week of the term. These drops should be processed through CRISP by September 30 so that the course or courses will not appear on the transcript at the end of the term.

On A CRISP Waitlist?

Students on a CRISP waitlist maintained for a closed course or section should do two things. Contact the department offering the course to find out how and when the department will indicate whether or not space is available, then obtain an Override Form before adding the course or section at CRISP.

There are NO Waitlists kept at CRISP as of September 10 (the first day of classes).

Need An Override?

An Approved Override Form is required for a course/section which is closed and for a course/section listed in the Time Schedule with an entry restriction. An entry restriction is a course enrollment condition other than a specific course prerequisite (common entry restrictions include permission of the instructor, Honors, junior standing, senior standing, Pilot, and CEW). Overrides are available from academic departments and programs, and, in some cases, from course/section instructors. Many instructors and departments are reluctant, however, to give Overrides until the first day of classes when they have an accurate idea of actual enrollment. In some departments, Overrides may be issued with an expiration date. If you have questions about departmental waitlist and override procedures, dial POINT–10 (764–6810).

Verification of Class Schedule and ID Cards

After Registering or Drop/Adding at CRISP, check your class schedule to ensure that it is accurate and complete before leaving. Verify the accuracy of the tuition assessment and be especially careful to check that pass/fail elections are properly recorded. The College holds students responsible for ensuring the accuracy of their class schedule printouts. Tuition is subject to change without notice by the Regents of the University. Fee assessments are also tentative and may be changed by the Regents.

Late Registration Fee

Students (except non–degree students and students admitted for Fall Term after August 31, 1992) who complete an initial registration for Fall Term, 1992, after September 9, must pay a late registration fee at the Cashier’s Office (LSA Bldg. Lobby) BEFORE processing their registration material at CRISP. The late registration fee is $15 through September 30. Beginning October 1, the fee increases by $10 to $25, and there is an additional $10 increase each subsequent month.

Open Course Inquiry Transaction

The Registrar’s Office has introduced a computer transaction which permits students to access, in real time, course and section enrollment information on computer terminals with an MTS hookup. See the introductory pages of the Time Schedule or the LSA Course Guide for exact instructions, or call LSA Checkpoint, 764–6810. ■

Registration Priority System

The registration priority system for early registration for Winter Term, 1993 will schedule students to register in seven groups according to the number of credit hours earned towards their program.

The seven groups are as follows:

1. 100 + credits
2. 85 – 99 credits
3. 70 – 84 credits
4. 55 – 69 credits
5. 40 – 54 credits
6. 25 – 39 credits
7. 0 – 24 credits

Group 1 will register first followed by the remaining groups. Within each group students will be assigned registration times on a random basis.

LSA GRADUATION PROCEDURES

Planning to graduate in December, 1992?

If so, then you must submit your diploma application and senior concentration release form (for AB/BS candidates) or diploma application and BGS senior release form (BGS candidates) according to the following schedule. Diploma applications, concentration release forms, and BGS release forms are available in 1221 Angell Hall or 1401 Mason Hall and should be returned there when completed. (HONORS PROGRAM students should pick up all graduation forms from 1218 Angell and return them there when completed.) The LAST DAY to submit graduation materials if you want your name printed in the December commencement program is Friday, November 8. Wednesday, December 11 is the LAST DAY to submit graduation materials if you plan to graduate in December. Commencement exercises will be held on December 13. An information sheet about the December commencement exercise will be available in 1221 Angell Hall by the middle of the Fall Term.

SPECIAL NOTES:

1. Beginning Thursday, September 10 a $15 late registration fee must be paid at the Cashier’s Office in the Lobby of the LSA Building before CRISP will process an initial Fall Term, 1992 registration. The late registration fee applies to all students except those admitted after August 31, 1992 and LSA non–degree students.

2. Wednesday, September 30 is the last day to drop courses and receive a fee adjustment or make changes without the $10 change of election fee. It is also the pass/fail deadline for LSA students.

Notification of Changes in Local & Permanent Addresses

Students can now use the campus computer network to submit local and permanent address and telephone changes to the Registrar’s Office by using a new server that has been installed on the campus computer network. To access the server, type UM-ADDRESS-INFO at the Which Host? prompt.

The server will ask for your student request account ID and new address and telephone number information. There is no charge for using the server and it is available around the clock from any computer connected to the computer network. Changes will be processed within two working days.

Student Telephone Directory Deadline

Students who have changed their address must report the change to the Office of the Registrar, Lobby LS&A Building by September 11, 1990 to have the correct address appear in the Student Telephone Directory (or through the computer network system).

FINAL EXAMINATIONS

The final examination schedule for courses is published near the front of each term’s Time Schedule by the Office of the Registrar. Individual instructors are not authorized to change the announced times of examinations. Re-scheduling exams into earlier time periods may mean that you will lose the final class period; it may mean that you are denied review time in class; and it may rob you of study days.

The Time Schedule says:

1. No allowance is made and no approval is given for final exams prior to the approved schedule.
2. Approval will not be given for any exams during Study Days.
3. Final exams scheduled for one date and time may not be moved to another date and time without prior approval of the Final Examination Committee.

The Faculty Code says:

1. An instructor may not depart from the official schedule unless prior approval of the Final Examination Committee is obtained.
2. All students are expected to take their final examinations at the time fixed in the official schedule of examinations. No student may be examined at a time earlier or later than the official time unless a mutually agreeable time has been arranged in advance by the student and the instructor.

If an instructor re-schedules an examination, you have a right to take it at the scheduled time period.

If you experience any difficulty in this regard, please see Assistant Dean Eugene Nissen (1402 Mason Hall; 764-7297) or Mr. Doug Woolley, Acting University Registrar (1510 LSA; 764-6280).

Tuition rates for 1992-93 are contained in the Final Edition of the Fall Term Time Schedule. Questions regarding tuition rates can be directed to the Registrar’s Office at 764-6280.
ACADEMIC ADVISING

Need General Academic Advising? Beginning Tuesday, September 8, and continuing through September 18, students may see an LSA General Advisor in 1213 Angell Hall on a walk-in basis. Beginning Monday, September 21, general advisors will be available on an appointment basis.

Beginning the week of September 14th, LSA General Advisors will be available on a regular basis in the residence halls.

Need Concentration Advising? Departmental and program concentration advisors will advise students beginning Tuesday, September 3. On Tuesday and Wednesday, the 8th and 9th, advising appointments for concentration advisors and for BGS advisors will be scheduled outside Auditorium D in Angell Hall. On Thursday the 10th the scheduling of these appointments moves back to 1213 Angell Hall, the usual place.

Do You Need Advisor Approval for a Schedule Change? New students (freshmen, transfers, and cross-campus transfers) need advisor approval for all course election changes during their first term in residence in LSA. Section changes do not require approval by an advisor. Continuing students who are planning academic schedules of fewer than 8 credits also must have advisor approval. Students who wish to elect a schedule of more than 18 credits also must have counselor approval and must get their Election Worksheet or Election Change Worksheet (drop/add form) stamped in 1221 Angell Hall (1210 Angell Hall for Honor Students).

Interested in an Individualized Concentration? An informational meeting for students interested in an Individualized Concentration Program (ICP) will be held on Wednesday, October 14, from 3–4 p.m. (Place to be announced). If you think you might be interested in an ICP, you should first read pages 152–53 of the 1992–93 LSA Bulletin and then bring your questions to the meeting where Mrs. Wallin, the ICP advisor from LSA Academic Advising, will have the answers.

Declaration of Concentration and/or Degree Program By the junior year (55 credits toward a degree program), LSA students should have selected a concentration program and/or degree program. To do this officially, students planning to do the requirements for a Bachelor of Arts or a Bachelor of Science degree should consult an appropriate concentration advisor and complete a Declaration Form which indicates choice of concentration. Students wishing to do a Bachelor of General Studies (BGS) degree should see a BGS advisor and also complete a Declaration Form. Declaration Forms are available in 1213 and 1221 Angell Hall and should be returned to 1213 when completed.

INCOMPLETE (I) GRADE? An “Incomplete” (I) grade may be reported by an instructor when a student has taken the final examination in a course but a small amount of work is unfinished. If you are an LSA student and your instructor agreed to report an incomplete grade, regardless of whether or not the course was an LSA course, then:

(1) You should have an understanding with the instructor about the work you must complete;

(2) You must complete the work by the end of the fourth week of your next Fall or Winter Term in residence or by an extended deadline supported in writing by the instructor and by the Office of Academic Actions (1223 Angell) or the Honors Program (1210 Angell). Your instructor is not obligated to agree to a time extension nor may an instructor unilaterally grant such an extension. LSA students with Winter term, Spring Half–Term and/or Summer Half–Term, 1992, incompletes who enroll for Fall Term must complete the work by Wednesday, October 7th;

(3) An Incomplete not finished by October 7th or an approved extended deadline prior to this deadline lapses to a failing grade and lowers the term and overall grade point averages, unless the course was elected on a non-graded basis;

(4) The course instructor has ten days following October 7th or an approved extended deadline in which to report a final grade.

(5) SPECIAL NOTE TO AUGUST, 1992 GRADS: you must finish any outstanding incompletes that you need in order to complete your degree requirements, and have the instructor report the final grade to the LSA Records Office by September 10, 1992, in order to keep your name on the August, 1992, degree list.

French and Spanish Placement Tests
If you are planning to take an elementary French or Spanish class and you are a new student, freshman or transfer student, or you have not yet begun the elementary language sequence on the Ann Arbor campus, you MUST take the placement test in order to register for the correct course. Here is an upcoming schedule of testing dates:

- Sunday Sept. 6th – 7-9 pm
- Tuesday, Sept. 8th – 4-6 pm
- Mon., Sept. 14th – 7:30 - 9:30 pm

If you have registered for a class prior to taking the test, you will still be required to take the test in order to verify that you are in the appropriate level class.

Both the Spanish and French test will be given at the above times; testing locations will be available from the Office of Orientation (764-6290) or LSA Checkpoint (764-6810) as soon as they have been confirmed.

If you have already taken French or Spanish 101–232 on the Ann Arbor campus, or you have already taken the placement test once, you are NOT eligible to take the test again. For questions regarding the LSA language requirement, please see a general academic counselor or call POINT–10.

RACE OR ETHNICITY REQUIREMENT

Students who are new to the College of LS&A (that is, first time enrolled as an LS&A student) in the Fall Term of 1991, and thereafter, must (in any term before graduation) receive credit for one of the approved Race or Ethnicity (ROE) courses such as appear in this listing. Each term’s listing will vary as courses are added or deleted by the College of LS&A Curriculum Committee. At the time of this publication only University Courses 298 and 299 have been granted blanket approval for meeting the requirement. Otherwise it is most important that you are careful to elect the section of the course taught by the faculty member whose name is listed with the course. Other sections of the course have not been approved to meet this requirement and may not be substituted. Courses meeting the ROE requirement may also help meet either distribution or concentration or composition requirements.

Advanced Placement credit can not be applied toward this requirement.

JUNIOR/SENIOR WRITING REQUIREMENT

The College requires all students to complete the Junior/Senior component of the LS&A Writing Requirement. Students must have at least 55 cumulative credits toward their program before they are eligible to complete this requirement. Specifically, the Junior/Senior Writing Requirement involves successful completion of an approved course or writing program, preferably in the student’s field of concentration or special academic interest. Each term the English Composition Board provides a list of such approved courses. A course approved to meet the Junior/Senior part of the Writing Requirement one term is not necessarily approved in a subsequent term. You may call POINT-10 (764–6810) to find out if the course you want is approved for a particular term as well as to learn if any spaces in the class are still available at CRISP. Enrollment in and completion of a course certified by the English Composition Board as a Junior/Senior Writing Course does not automatically guarantee fulfillment of the writing requirement. Students planning to use an approved course to meet the Junior/Senior Writing Requirement must designate the course as such by WRITING ECB in the MODIFIER BOX of the ELECTION WORKSHEET.

The list of courses approved for the LSA junior/senior writing requirement for Fall 1992 can be found on pages 5-6 of the Fall Course Guide, with any updates posed in the following locations: (1) on the bulletin board outside the entrance to LSA Checkpoint at 1419 Mason Hall, and (2) on the bulletin board opposite the entrance to the LSA Counseling Office at 1213 Angell Hall and at the entrance to 1221 Angell Hall."

TIME SCHEDULE

The final edition of the Fall Time Schedule is now available. LSA students may pick up copies from the table outside 1419 Mason Hall. An updated and corrected copy of the LSA Time Schedule is maintained outside 1213 Angell Hall. Course additions and deletions, and time, room, and instructor changes will all be noted as they are approved. If you have any questions, please call POINT-10.
